# SUMMER MEALS - SHARE TABLE RULES

•Setup Share Table for unopen, and unwanted items.

•Encourage children to try new items they may have never had before.

•Store share table items in a clean basket or bin.

•Keep cold share table items on ice to keep them temperature safe.

•Store share table items safely outside of serve times.

•Encourage children that may want more food to take items from share table.

•Don't setup share table at the end of the serving line.

•Don't put complete meals on share table. If you have refrigeration, practice FIFO.

•Don't put share table items on the ground.

•Don't leave cold share table items out in the heat.

•Don't leave share table items out when you're not serving.

•Don't let adults eat from share table during meal service.
